

General Index

Glyphic elements are listed in the Hieroglyphic Glossary and Index, hereinafter abbreviated to HGI, and in many cases supplement entries in this General Index. To save space all references to archaeological sites and monuments are omitted; because of the

prevalence of Yucatec in linguistic discussion, the many citations of specific words in that language are also excluded from the index. Numbers in boldface refer to illustrations.

Abacus, 256
 Adultery, associated with day Oc, 79, 89; associated with Katun 9 Ahau, 181; by Venus, 218
 Agriculture, 3-5, 8, 24-26, 104; almanacs for, 258-62, 271; days for activities, 300-01
